"GUIDELINES/CRITERIA FOR EVALUATION OF PROPOSALS REQUESTS FOR GROUND WATER ABSTRACTION (w.e.f. 15.11.2012)"

The Competent Authority has approved the removal of the exemption provided to Industries/Projects operating in 'Safe' category areas and drawing less than 100 m³/day of ground water from obtaining NOC from CGWA. Accordingly, Central Ground Water Authority (CGWA) hereby makes the following amendment in the existing 'Guidelines/Criteria for Evaluation of Proposal/Requests for Ground Water Abstraction which is in force since 15.11.2012. The para under column heading 'Withdrawal Permitted' for "Safe' category areas as given in table in Section B-I should be read as,

'NOC is required for ground water withdrawal subject to adoption of artificial recharge to ground water. Industries/projects using water as a raw material and other water intensive industries would be required to fulfil conditions mentioned under para B-VI'

All other terms and conditions in the above guidelines / criteria will remain unchanged till further notice.
